About Us

Healthstream Sdn. Bhd., established since October 1999, boasts over two decades of experience in the fitness industry, catering to individuals seeking to enhance their physical fitness, shed excess weight, optimize their strength and performance, and embark on healthier lifestyles.

Our extensive product line features top-notch items crafted in Taiwan, incorporating cutting-edge technology sourced from the USA and Europe. These products are meticulously constructed to align with global standards, featuring dependable components and comprehensive support services.

We collaborate with prominent gyms, hotels, hospitals, and various large-scale facilities. We're equally excited about collaborating with small local businesses too.

Our Consultative Services specialize in tailoring home and commercial gym designs. Our skilled consultants, well-trained in their field, can assist you in creating and presenting a personalized gym, fitness center, or health club that aligns with your unique requirements and preferences.

When you invest in our products, you're not just purchasing gym equipment; you're acquiring a comprehensive package encompassing quality, reliability, after sales services and a total peace of mind. We have the people, the parts, the vehicles, the organization and the infrastructure to immediately get you going and keep you up and running.

MISSION

To empower individuals and communities to lead healthier, more active lives by providing high-quality gym equipment and fitness solutions that inspire and support lasting wellness transformations.

VISION

To be the industry leader in gym equipment innovation, quality, and accessibility. We aspire to create a world where everyone has the opportunity to achieve their fitness goals and live healthier, happier lives. We envision a future where our products and services are synonymous with excellence, empowering people of all backgrounds to make fitness an integral part of their daily lives.
