

HEALTHSTREAM®

COMPANY PROFILE

ABOUT US

Healthstream Sdn. Bhd. has been in the fitness industry for over 20 years (since 1999 Oct'), and have served the needs for those who look to shape up, lose weight, maximise strength and performance and lead healthier lives.

Our broad range of products are of high quality and are manufactured in Taiwan using the latest technology from USA and Europe. They are built to meet international standards with reliable parts and services.

When you purchase our products, you purchase a complete package of quality, reliability, after sales service, and total peace of mind. We have a wide range of products to suit your specific individual needs.

Ours Mission and Vision

Our mission is to help people live better, and we achieve this by providing the best possible gym equipment, services, all of which use technology to connect to one another so that users can experience fitness and wellness no matter where they are.

Our vision is to strive in what we do and become one of the key leading distributors of fitness equipment in Malaysia.
